MISS GORDON'S
COMMENCEMENT

Exercises of the Training School
at Washington Opera-House
Last Evening

Class of 1910—Miss Mary Morton Newell, Julia Duval Rice, Lucy Gordon Quintance, Ada Frances Emmitt, Irene Martin Turner and Emma Greer Gordon; Messrs. Hamlet Cecil Sharp, George Almar Dodson and Boyd Nicholson.

The eighth year of Miss Gordon's Training School came to a close yesterday and last evening the graduation exercises were held at Washington Opera-house, being, as usual, one of the most delightful of the season's affairs.

Miss Gordon has quite a large and successful school, and the past session has been one of especial merit in many respects. The report of the pupils throughout the year has been very gratifying and marked interest has been shown in every department of the school work, of which Rev. W. W. Akers, in his brief address to the Class, spoke in a most complimentary way.

Miss Gordon has always made a most entertaining evening of her Commencements and that of 1910 was no exception. The parts taken by the members of the Class were strikingly up-to-date, while the musical numbers were very charming.

The program was as follows:
Invocation—Rev. G. P. Chatham.
Music.
Duet—"Where the Rippling Streamlet Flows"—Miss Fry, Mr. Kline.
Glover Miss Lillian H. Fry, Mr. W. C. Kline.
Oration—"Aerial Navigation"—Mr. Sharp.
Recitation—"The Mustard Plaster"—Fielding Miss Newell.
Music.
Solo—"A Summer Night"—Thomas Miss Fry.
Essay—"Has Woman Any Longer a Sphere?"—Miss Rice.
Recitation—"In the Tolls of the Enemy"—Wood Mr. Dodson.
Duet—"Venice"—Harris Miss Fry, Mr. Kline.
Oration—"In the Shadow of a Third Term"—Mr. Nicholson.
Recitation—"A Bear Story"—Riley Miss Quintance.
Music.
Duet—"La Serenade"—Seubert-Hoffman Miss Fry, Mr. Kline.
Recitation—"Music on the Rappahannock"—Somerville Miss Dimmitt.
Music.
Solo—(a) "Were I a Star"—Hawley (b) "Forget Me Not"—Ehrmann Mr. Kline.
Essay—"Nineteen Hundred and Fifty"—Miss Turner.
Essay—"My Last Will and Testament"—Miss Gordon.
Music.
Duet—"See the Pale Moon"—Campbell Miss Fry, Mr. Kline.
Presentation of Diplomas and Announcement of Honors, Rev. W. W. Akers.
Accompanist, Miss Elizabeth Barbour.
The student's first honors were divided by Miss Rice and Miss Quintance, each with an average of 90%, while Miss Turner was a close second, with an average of 98%.
Owing to a very severe illness with which she was recently stricken Miss Emma Greer Gordon did not participate in the class exercises, but having completed her studies was awarded her diploma with her fellow students.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

SILK PETTICOATS.

Handsome Black and Colored Silk Petticoats, made for us during the manufacturer's dull season—hence qualities of extraordinary value for \$4.98. A special feature is the narrow top, which is a welcome point in this day of tight dress skirts. The flounce is a deep sectional one trimmed in strap bands. A double under ruffle for dust and wear protection is another good point. If you are interested in skirt values, investigate.

Our 10c Gingham

Hundreds of yards are selling to mothers who appreciate the quality. And the little wearers of the frocks are equally pleased with the pretty color and patterns.

BY SPECIAL REQUEST!

We shall have with us on Saturday, June 4th, for one day only, Miss Margaret Kent, the special representative of the Home Journal Patterns. We hope that the ladies who did not meet her on her last trip here will avail themselves of this opportunity of gaining Miss Kent's knowledge and practical use of patterns during her stay with us. She will take great pleasure in showing that the "Home Journal Patterns" are superior to all others BECAUSE

First—These patterns are drafted, not graded or measured by-rule or thumb.

Second—They do not run small.

Third—They are cut high under the arms.

Fourth—They always fit perfectly.

Fifth—They are measured across the bust, not across the chest.

Sixth—Special patterns are provided for stouts.

Seventh—Home dressmakers insist upon having them.

Eighth—They are economical in material and every new advanced style is included.

Miss Kent will answer any questions regarding these patterns, methods of measurements and the advantages of the guide chart. Any ladies who have ever had any trouble with these patterns are cordially invited, and Miss Kent will take your proper measurements for patterns and explain your difficulties.

Of all abortions that seven-foot concrete pavement in West Front street takes the cake. Better have left the sidewalks as they were than to perpetrate such a miserable botch. Better re-consider the matter and put them down in a right way and as they should be—uniform width throughout—than in the slop-shop manner as is being done.

Church growth in the United States has been greater than the increase in population between the years 1900 and 1906, according to special census report on the census of religious bodies for 1906.

Wednesday THE LEDGER published a list of the present membership of Joseph Heiser Post No. 13, G. A. R., and unintentionally omitted the name of George W. Chambers, which should have appeared in the list.

The census returns show that the annual salary of a Minister, counting all denominations, is but \$663 per year. The Unitarians pay the most, an average of \$1,653. The Jewish congregation pay \$1,222 and the various Presbyterian bodies average over \$1,000.

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on pills and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they are all useless, so far as permanent results go. Now you should try just once again, but try something practical and sensible, a remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Sanville, Va., will gladly attest, and so will Mrs. S. A. Hampton of Portage, O. To those who are still skeptical there is a way to prove these assertions without a penny of expense: Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and the dose is small. It is pleasant to the taste, does not gripe and is promptly effective, and these statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally. Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. E. Caldwell, R. 507 Caldwell building, Monticello, Ill.

LAURIE—DRYDEN.

Adams County (O.) Record.

A very charming but simple wedding was solemnized at the beautiful country home "Maplewood" of Prof. F. C. Dryden, when his youngest daughter, Leona Ferno, and Samuel Drago Laurie were united in holy bonds of matrimony by Dr. W. E. Groes of Ripley, O., on Sunday afternoon, May 22d. When the hour of two-thirty arrived, the wedding party descended the broad stairway to the parlor below, where the sweet strains of Wagner's Wedding March were being rendered on the piano by Miss Nellie Lawwill of Manchester. The reception hall and parlor were banked with potted plants and flowers, the principal decorations being roses and ferns. The wedding was a very private affair owing to the serious illness of the bride's aunt, only the immediate family of the bride and groom being assembled. After the ceremony the happy bridal party, consisting of the bride and groom, Miss Nellie, sister of the bride, and Miss Nellie Lawwill, cousin of the bride, hurried over the terrace through showers of rice to a waiting cab and were quickly driven to Maysville, Ky., to catch the Westbound train. They will be at home to friends after May 30th. The bride is a very charming and attractive young lady, highly accomplished and of rare attainments, well and favorably known throughout the surrounding vicinity. The groom is the only son of E. W. Laurie, a prosperous farmer of Brown county, and is a young man of indomitable habits and strict morals.

The bride is a sister of Mrs. J. R. Cooper of Court street, this city.
